

5TH ANNUAL LIONFISH BASH – MIAMI, FLORIDA

The Woody Foundation is pleased to announce that they will be hosting their Fifth Annual Lionfish Bash on July 25, 2015. The purpose of the Lionfish Bash is to raise funds and awareness for the spinal cord injured community with proceeds benefiting Jackson Rehabilitation Hospital and The Woody Foundation. To kick off the tournament we will host a Captain's Meeting at 6:00pm on Friday, July 24th at Fritz & Franz Beirhaus in Coral Gables. Fishing & diving for lionfish will start Saturday morning with weigh in between 3-4pm and dinner at 7pm – all at a private club in Coconut Grove located at 2540 South Bayshore Drive.

“For the past three years all I have heard every summer is how amazing the Lionfish Bash experience has been. Well after making a point to go in 2014 I totally understand the HYPE,” said William Castellano, life long friend of Woody. “We get to support the Foundation while helping clean up the reefs. Two great causes in one! Can’t wait to sign up for the fifth annual Lionfish Bash!”

Over the past four years with the efforts of our generous sponsors and participants The Woody Foundation has donated over \$80,000 of medical equipment to the Jackson Rehabilitation Hospital. What makes the event unique is we help eliminate the invasive Indo-Pacific Lionfish population that have found a new home on the local reefs. In a celebration of our accomplishments we sample our catch during the awards dinner along with the Club’s delicious surf & turf dinner.
